

**SANTA FE COUNTY
PRICE AGREEMENT**

THIS AGREEMENT is made and entered into by and between Santa Fe County, New Mexico, a political subdivision of the State of New Mexico, and Santa Fe Winnelson Company, a corporation authorized to do business in the State of New Mexico, County of Santa Fe (hereinafter referred to as "the Contractor").

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. DEFINITIONS

- A. "County"** shall mean Santa Fe County.
- B. "Using Department or Department"** shall mean a Department or Elected Official's office of Santa Fe County.
- C. "Purchase Order"** shall mean a fully executed Purchase Document issued by the Santa Fe County Purchasing Department that specifies the items to be provided by the Contractor under the terms of the Price Agreement.
- D. Price Agreement** means this indefinite quantity Price Agreement which requires the Contractor to furnish items to the using department which issues a purchase order.
- E. Record Adjustment Date** means a date within thirty days of issuance of the Producers Price Index (Not Seasonably Adjusted)(generally referred to herein as "the PPI") by the U.S. Department of Labor.

2. GOODS TO BE PROVIDED

- A. Good Listed on Attachment A.** The Department, through the County, may issue orders for purchase of the items described herein. The item ordered must be listed on Attachment A to this Agreement. All orders issued hereunder must bear both an order number and the number of this Price Agreement.
- B. Quantities.** It is understood that this is an indefinite quantity price agreement and the County may order any quantity of the items listed on Attachment A. No guarantee or warranty is made or implied, by either the County or the Department that any order for any definite quantity will be issued under this Price Agreement. The Contractor is required to accept the order and furnish the items when ordered.
- C. Specifications.** Items furnished hereunder shall conform to the requirements of the specifications provided in the Information for Bidders, attached hereto as Attachment B. Orders issued pursuant to this Agreement must show the applicable Price

Agreement item(s), numbers(s), and price(s). Any items provided pursuant to this Price Agreement must meet or exceed the specifications.

D. Shipping and Billing Instructions.

1. The Contractor shall ship the items in accordance with the County's instructions. The Contractor shall enclose a packing list with each shipment listing the order number, price agreement number, and the commercial part number (if any) for each item. Unless otherwise designated by the County, the Contractor shall ship all products F.O.B. destination. Except for loss or damage directly attributable to the negligence of the Department, the Contractor shall bear all risk of loss or damage until products have been accepted by the Department. Destination charges shall be included in the product price.

2. The Contractor may impose shipping and handling charges for enhanced delivery services (overnight courier service, second-day courier service or delivery-by-messenger service). Such enhanced delivery charges shall be pre-paid by the Contractor and billed as a separate item at actual cost. The Contractor shall advise the Department of any enhanced delivery charges prior to the acceptance of the purchase order.

3. Whenever the Department does not accept any product and returns it to the Contractor, all related documentation furnished by the Contractor shall be returned also.

4. The Contractor shall bear all risk of loss or damage with respect to returned products except for loss or damage directly attributable to the negligence of the using department.

5. Unless otherwise agreed upon by the Department, the Contractor shall be responsible for the pick-up of returned items.

6. Time is of the essence for purposes of this Agreement. All damages resulting from late delivery shall be the responsibility of the Contractor. In the event of failure of the Contractor to deliver in accordance with this requirement, the Contractor shall be liable to the County for liquidated damages in the amount of \$100.00 per order per each day the items are delivered late.

E. Delivery Tickets. The County's purchasing document number and the Contractor's name, the Department's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments. The user's count will be accepted by the Contractor as final and conclusive on each shipment that is not accompanied by a packing ticket.

F. Price. Prices listed in Attachment A for each item shall be the price for that item as adjusted as set forth below.

G. Periodic Price Adjustments.

1. The price of items shall be subject to adjustment (increase or decrease) pursuant to this subparagraph to account for fluctuations in the costs of the items that are the subject of this Price Agreement. Adjustments to the prices set forth on Attachment A shall occur within thirty days following issuance of the Bureau of Labor Statistics index Producers Price Index (Not Seasonably Adjusted)(generally referred to herein as "the PPI") by the U.S. Department of Labor, usually every four months. At that time (the record adjustment date), a price adjustment shall be calculated by adding or subtracting the materials price adjustment to the price of each item set forth on Attachment A. The materials price adjustment shall equal the sum of each adjustment, which shall be calculated in accordance with subsection (3) of this Section. Record price adjustment reflecting a *decrease* in the applicable PPI shall offset previous adjustments resulting from an increase in the applicable PPI. The adjustment shall serve to reduce the price of a particular item in the event that the sum of the adjustments equals a negative number or an increase in the price of an item in the event that the sum of the adjustments equals a positive number.

2. The baseline cost amount for each item set forth on Attachment A shall be as specified on Attachment A (e.g., the price bid for each item). This baseline cost amount shall be used to calculate the adjustments in accordance with subsection (3) of this Section.

3. A record adjustment shall be based on the PPI for that item. At the time of contracting, the specific PPI index for each item shall be identified and set forth herein on Attachment C. On the record adjustment date, record adjustments shall be calculated by multiplying the applicable baseline cost amount associated with the particular item by the record adjustment factor. The record adjustment factor shall be based on the percentage of change in the applicable PPI from the effective date of this Price Agreement (IC) as compared to the applicable PPI on the record adjustment date (IE), and shall be calculated in accordance with the following formula:

$$\text{Record Adjustment Factor} = \text{IE/IC} - 1.00$$

The parties shall execute a Contract Administration Memorandum setting forth each record adjustment within thirty (30) days after the applicable record adjustment date.

3. PAYMENT

All payments under this Price Agreement are subject to the following provisions.

A. Inspection. Final inspection and acceptance of all items ordered shall be made at the destination. Items rejected at the destination for non-conformance with specifications shall be removed, at the Contractor's risk and expense, promptly after notice of rejection.

B. Acceptance. In accordance with NMSA 1978, Section 13-1-158, the Department shall determine if the items meet specifications, and may accept the items if the items meet specifications. No payment shall be made for any items until the items have been accepted in writing by the using department. Unless otherwise agreed upon between the Department and the Contractor, within thirty (30) days from the receipt of items, the using department shall issue a written certification of complete or partial acceptance or rejection of the items. The time period shall begin at the time of receipt of the final shipment when there are multiple shipments per purchase order. Unless the Department gives notice of rejection within the specified time period, the items will be deemed to have been accepted.

C. Issuance of Orders. Only written, signed and properly executed purchase orders are valid under this Price Agreement.

D. Invoices. The Contractor may submit invoices for payment no more frequently than monthly. The Contractor's invoice shall be submitted in triplicate, duly certified and shall contain the following information: order number, description of supplies or services, quantities, unit prices, extended totals and applicable taxes. Separate invoices shall be rendered for each and every complete shipment. Invoices must be submitted to the Department and not to the County's Central Purchasing Office.

E. Payment of Invoices. Upon written certification from the Department that the items have been received and accepted, payment shall be tendered to the Contractor within thirty (30) days. If the payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. After the thirtieth day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance due on the Price Agreement to the Contractor at the rate of 1.5 % per month. Payment shall be made and mailed to the Contractor's designated mailing address.

F. Tax Note. Applicable gross receipts taxes or local option tax(es) shall be included on each invoice and shown as a separate item to be paid. The payment of taxes for any money received under this Agreement shall be the Contractor's sole responsibility and must be reported under the Contractor's federal and County tax identification number(s). If the Department is exempt from the New Mexico gross receipts tax or local option taxes for the transaction, the Department shall provide the Contractor with written evidence of such exemption(s).

4. TERM

THIS PRICE AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE PARTIES. The term of this Agreement shall be four (4) year(s).

5. DEFAULT

A. The failure of the Contractor to perform shall create a default pursuant to this Price Agreement. The County reserves the right to cancel all or any part of any orders placed under this Price Agreement without cost to the County if the items fail to meet the requirements of this Price Agreement. The Contractor may be excused from performance under this Price Agreement if the Contractor's failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not limited to, acts of God or the public enemy, acts of the County or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the County shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the subcontractor to meet the required delivery schedule.

B. The County may cancel all or any part of any resulting order without cost to the County if the Contractor fails to meet material provisions of the order; the Contractor shall be liable for any excess costs associated with such a default.

6. TERMINATION

A. For Convenience. This Price Agreement may be terminated by the County upon written notice to the Contractor thirty (30) days before the proposed date of termination. Notice of Termination of the Price Agreement SHALL NOT AFFECT ANY OUTSTANDING ORDERS.

B. For Cause. Either party may terminate this Agreement for cause based upon material breach of this Agreement by the other party, provided that the non-breaching party shall give the breaching party written notice specifying the breach and shall afford the breaching party a reasonable opportunity to correct the breach. If within thirty (30) days after receipt of a written notice the breaching party has not corrected the breach or, in the case of a breach which cannot be corrected in thirty (30) days, begin and proceed in good faith to correct the breach, the non-breaching party may declare the breaching party in default and terminate the Agreement effective immediately. The non-breaching party shall retain any and all other remedies available to it under the law.

7. AMENDMENT

This Price Agreement may be amended by mutual agreement of the County and the Contractor upon written notice by either party to the other. Any such amendment shall be in writing and signed by the parties hereto. An amendment to this Price Agreement SHALL NOT AFFECT ANY OUTSTANDING PURCHASE ORDERS issued by the County prior to the effective date of the amendment mutually agreed upon. Amendments affecting prices are not allowed.

8. STATUS OF CONTRACTOR

The Contractor, and Contractor's agents and employees, are independent Contractors for the Department and are not employees of the County. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of County vehicles, or any other benefits afforded to employees of the County as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are personally reportable by it for income tax purposes as self-employment or business income and are reportable for self-employment tax.

9. ASSIGNMENT

A. Neither this Price Agreement nor any orders placed under this Price Agreement, nor any interest therein, nor claim there under, shall be assigned or transferred by the Contractor, except as set forth in subparagraph 10(B) below or as expressly authorized in writing by the County purchasing manager. No such assignment or transfer shall relieve the Contractor from the obligations and liabilities under this Price Agreement.

B. Contractor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the County as to goods, services, and materials purchased in connection with this bid are hereby assigned to the County.

10. NON-COLLUSION

12. COMMERCIAL WARRANTY

The Contractor agrees that the items furnished under this Price Agreement shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such items, and that the rights and remedies provided herein shall extend to the County and are in addition to and do not limit any rights afforded to the County by any other clause of this order. Contractor agrees not to purport to disclaim warranties of fitness for a particular purpose or merchantability and fitness for a particular purpose.

13. CONDITION OF PROPOSED ITEMS

All proposed items to be delivered under this Price Agreement are to be NEW and of most current production, unless otherwise specified.

14. RECORDS OF AUDIT

During the term of this Agreement and for three years thereafter, the Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the department, the County and State Auditor and other appropriate County and federal authorities. The Department shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the Department to recover excessive or illegal payments.

15. APPROPRIATIONS

The terms of this Price Agreement, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the Board of County Commissioners for the performance of this Agreement. If sufficient appropriations and authorization are not made, this Price Agreement, and any orders placed under it, shall terminate upon written notice being given to the Contractor. The County's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final.

16. RELEASE

The original and one copy of all materials, work papers, meeting notes, or other documents produced by the Contractor shall be indexed and placed in appropriately labeled binders and delivered to the Department at conclusion of the Agreement.

19. CONFLICT OF INTEREST

The Contractor warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with any performance required under this Agreement. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

 - Separate invoices shall be issued for each completed shipment, project or phase as determined in any previous order for such goods and/or services.
11. **Rights to Cancel:** The County reserves the right to cancel all or any part of any resulting order without cost to the County if the awarded Contractor fails to meet material provisions of the order, and except as otherwise provided herein, to hold the awarded Contractor liable for any excess costs associated with the contractor's default. The awarded Contractor shall not be liable for any excess costs if failure to perform is due to causes beyond the control and shall not be the fault of negligence of the contractor. Such causes include, but are not restricted to, acts of God, fires, floods, epidemics, quarantine restrictions, strikes, freight, embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the County can determine that the goods or services to be supplied by the sub-contractor were obtainable from other sources in sufficient time to meet the required delivery schedule. The rights and remedies of the County provided in this paragraph shall not be exclusive and are in addition to other rights provided under applicable laws.
12. **Contractors Certification:** In submitting a bid, the Bidder certifies that it has not directly or indirectly entered into actions that may restrict open and effective competition for items subject to this invitation for bids by the County.
13. **Compliance with FCRA:** Bidders submitting bids shall be in compliance with the Federal Civil Rights Act of 1964 and Title VII of the Act (Rev.1979)

14. **Specifications:** The apparent silence of the specification as to any detail or apparent omission from them of detailed description concerning any point shall be regarded as meaning that only the best commercial practice is to prevail and only materials and workmanship of first quality are to be used.
15. **Rejection of Bids:** The County reserves the right to reject any and all bids in part or whole, to waive technicalities, make single or multiple awards without discussions with Bidders and to accept the offer it deems to be in the best interest of the Santa Fe County, giving due consideration to prices, quality of goods or services, distribution and delivery facilities available and time of delivery.
16. **Interpretation of Bid Specifications:** Technical expertise may be required to provide materials that will conform to all applicable federal, state and local standards and/or to function as indicated in these specifications. The contractor shall be responsible for ensuring that goods and/or services offered meet or exceed the stated criteria.

ANY EXCEPTIONS TO THE SPECIFICATIONS SHALL BE CLEARLY NOTED AND EXPLAINED.

17. **Interpretation of Meaning:** No interpretation of the meaning of the specifications or other documents will be made to any bidding firm orally. Each request for interpretations shall be in writing addressed to Vincent Ojinaga, Procurement Manager, Santa Fe County Purchasing Division at 142 West Palace Ave., Second Floor, Santa Fe, NM 87501 or via fax at (505) 989-3243, and to be given consideration must be received at least ten (10) working days prior to the date fixed for the receipt of bids.
18. **Communication:** Direct communication with the County technical representative or government sponsor of the requirement, other than through the aforementioned individual, may result in the elimination of the bidder's offer from consideration.
19. **IFB Corrections:** Any and all interpretations and supplemental instructions will be in the form of a written addenda to the IFB which, if issued, will be mailed by certified mail with return receipt requested or other means determined by the County as reasonable to expedite this process to all prospective firms prior to the date fixed for the receipt of bids. Failure of any bidding firm to receive any such addenda or interpretations shall not relieve such firm from any obligation under their bid as submitted. **All addenda so issued shall become part of the contract documents.**
20. **Brand Names and Model Numbers:** Specifications in this invitation are not meant to be restrictive, but descriptive. Specifications contained herein reflect the minimum acceptable standards and are not intended to restrict competition. No substitute specifications may be included, exceptions may be made only if required to match existing equipment, or conform to pre-existing conditions which preclude mismatch of sizes, styles or color. Substitutions which would require additional delivery time, expense or modifications of the original design may be rejected.

21. **Item Description(s):** All items on all pages of the specification are representative of the desired sized and dimensions and as such are intended as guides to potential Bidders in the preparation of bids. Bids of equivalent items will be considered for award if (1) such items are clearly identified by manufacturer's name, brand, and model number, if any, in the offer; (2) descriptive literature or other such data is provided to show that the equivalent items are equal to the brand name; and (3) the County determines such items to be equal in all material respects to the salient specifications of the products required.
22. **Compatibility or Brand Name(s):** Bidders shall clearly indicate that it is offering an "equal" product unless the offeror is offering the brand name product(s) referenced in the inquiry. Should any specified brands or models be listed incorrectly, discontinued or improved, the Bidder shall note such changes in their responses and include the pertinent details regarding the change. In the event the item has been discontinued, the Bidder will be allowed to propose comparable goods or services along with the necessary supplemental documentation supporting their position.
23. **Evaluation and Determination of Product(s):** The evaluation of bids and the determination as to equality of the product proposed shall be the responsibility of the County and will be based on information provided in the Bid and/or information reasonably available to the County.

The costs associated with such inspection trips shall be borne by the County.
4. **Late Delivery:** It is expressly understood and agreed that, as a result of the public interest, and because of the monetary losses that the County may incur as a result of failure to deliver the goods and/or services described in the contract on time, that time is of the essence in the performance of this contract. It is agreed that damages resulting from late delivery can neither be accurately anticipated or calculated.

The following delivery terms and conditions apply to the item(s) described in the specifications: The goods and/or services shall be delivered within ten (10) business days after receipt of order (ARO).

At the option of the County Procurement Manager, the County may invoke the default provision of this contract contained in the General Terms & Conditions (#11) in addition to any penalties as outlined above.

5. **Payment or Acceptance Not Conclusive:** No payment made under this Agreement shall be conclusive evidence of the performance of the contract, either wholly or in part, and that no payment made for the delivery of the items in whole or in part shall be construed as an acceptance of defective work or improper materials, and shall not relieve the bidder from corrections of the defects. The final acceptance shall not be binding upon the County nor conclusive, should it subsequently develop the Bidder had furnished inferior items or had departed from the specifications and/or the terms of the contract. Should such conditions become evident, the County shall have the right, notwithstanding final acceptance and payment, to cause the services to be properly furnished in

accordance with the specifications (and drawings, if any) at the cost and expense of the bidder.

6. **Order of Preference:** In the event of conflict between the Bid Instructions and General Terms and Conditions and the Supplemental Terms and Conditions, the Supplemental Terms and Conditions shall prevail.

Any references herein to a particular make or model number are intended not to be restrictive, but to set forth an acceptable level of quality and design.

7. **Method of Award:** Santa Fe County reserves the right to award a "Multiple Source Award" pursuant to Section 13-1-153 NMSA 1978, to the bidder(s) submitting the lowest responsive bid(s) meeting or exceeding specifications and terms and conditions for those items.

Shipping Note: Vendor must pre-pay freight and add to invoice as separate item.

Successful vendor(s) must carry an adequate inventory supply of parts to service the County's needs without undue delays. All parts and materials shall carry the manufacturer's standard warranty. All other standard business practices shall be extended to the County.

The County reserves the right to request the return of or inspection of any tool(s), or supply(ies). Tools and supplies must be new and conform to the original manufacturer's specifications, unless otherwise approved by the county.

The prices quoted herein include an amount sufficient to cover such costs.

Notwithstanding the existence of this agreement, the County and/or its political sub-divisions reserve the right to order any items(s) required for emergency purpose from any party who can deliver such item(s) to meet the requirements of the user, without waiving or voiding any of the terms of this agreement.

THIS AGREEMENT is made and entered into by and between Santa Fe County, New Mexico, a political subdivision of the State of New Mexico, and _____, a corporation, LLC, sole-proprietor, authorized to do business in the State of New Mexico, County of Santa Fe (hereinafter referred to as "the Contractor").

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. DEFINITIONS

A. "County" shall mean Santa Fe County.

B. "Using Department or Department" shall mean a Department or Elected Official's office of Santa Fe County.

C. "Purchase Order" shall mean a fully executed Purchase Document issued by the Santa Fe County Purchasing Department that specifies the items to be provided by the Contractor under the terms of the Price Agreement.

D. Price Agreement means this indefinite quantity Price Agreement which requires the Contractor to furnish items to the using department which issues a purchase order.

E. Record Adjustment Date means a date within thirty days of issuance of the Producers Price Index (Not Seasonably Adjusted)(generally referred to herein as "the PPI") by the U.S. Department of Labor.

2. GOODS TO BE PROVIDED

A. Good Listed on Attachment A. The Department, through the County, may issue orders for purchase of the items described herein. The item ordered must be listed on Attachment A to this Agreement. All orders issued hereunder must bear both an order number and the number of this Price Agreement.

B. Quantities. It is understood that this is an indefinite quantity price agreement and the County may order any quantity of the items listed on Attachment A. No guarantee or warranty is made or implied, by either the County or the Department that any order for any definite quantity will be issued under this Price Agreement. The Contractor is required to accept the order and furnish the items when ordered.

C. Specifications. Items furnished hereunder shall conform to the requirements of the specifications provided in the Information for Bidders, attached hereto as Attachment B. Orders issued pursuant to this Agreement must show the applicable Price

Agreement item(s), numbers(s), and price(s). Any items provided pursuant to this Price Agreement must meet or exceed the specifications.

D. Shipping and Billing Instructions.

1. The Contractor shall ship the items in accordance with the County's instructions. The Contractor shall enclose a packing list with each shipment listing the order number, price agreement number, and the commercial part number (if any) for each item. Unless otherwise designated by the County, the Contractor shall ship all products F.O.B. destination. Except for loss or damage directly attributable to the negligence of the Department, the Contractor shall bear all risk of loss or damage until products have been accepted by the Department. Destination charges shall be included in the product price.

2. The Contractor may impose shipping and handling charges for enhanced delivery services (overnight courier service, second-day courier service or delivery-by-messenger service). Such enhanced delivery charges shall be pre-paid by the Contractor and billed as a separate item at actual cost. The Contractor shall advise the Department of any enhanced delivery charges prior to the acceptance of the purchase order.

3. Whenever the Department does not accept any product and returns it to the Contractor, all related documentation furnished by the Contractor shall be returned also.

4. The Contractor shall bear all risk of loss or damage with respect to returned products except for loss or damage directly attributable to the negligence of the using department.

5. Unless otherwise agreed upon by the Department, the Contractor shall be responsible for the pick-up of returned items.

6. Time is of the essence for purposes of this Agreement. All damages resulting from late delivery shall be the responsibility of the Contractor. In the event of failure of the Contractor to deliver in accordance with this requirement, the Contractor shall be liable to the County for liquidated damages in the amount of \$100.00 per order per each day the items are delivered late.

E. Delivery Tickets. The County's purchasing document number and the Contractor's name, the Department's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments. The user's count will be accepted by the Contractor as final and conclusive on each shipment that is not accompanied by a packing ticket.

F. Price. Prices listed in Attachment A for each item shall be the price for that item as adjusted as set forth below.

G. Periodic Price Adjustments.

1. The price of items shall be subject to adjustment (increase or decrease) pursuant to this subparagraph to account for fluctuations in the costs of the items that are the subject of this Price Agreement. Adjustments to the prices set forth on Attachment A shall occur within thirty days following issuance of the Bureau of Labor Statistics index Producers Price Index (Not Seasonably Adjusted)(generally referred to herein as "the PPI") by the U.S. Department of Labor, usually every four months. At that time (the record adjustment date), a price adjustment shall be calculated by adding or subtracting the materials price adjustment to the price of each item set forth on Attachment A. The materials price adjustment shall equal the sum of each adjustment, which shall be calculated in accordance with subsection (3) of this Section. Record price adjustment reflecting a *decrease* in the applicable PPI shall offset previous adjustments resulting from an increase in the applicable PPI. The adjustment shall serve to reduce the price of a particular item in the event that the sum of the adjustments equals a negative number or an increase in the price of an item in the event that the sum of the adjustments equals a positive number.

2. The baseline cost amount for each item set forth on Attachment A shall be as specified on Attachment A (e.g., the price bid for each item). This baseline cost amount shall be used to calculate the adjustments in accordance with subsection (3) of this Section.

3. A record adjustment shall be based on the PPI for that item. At the time of contracting, the specific PPI index for each item shall be identified and set forth herein on Attachment C. On the record adjustment date, record adjustments shall be calculated by multiplying the applicable baseline cost amount associated with the particular item by the record adjustment factor. The record adjustment factor shall be based on the percentage of change in the applicable PPI from the effective date of this Price Agreement (IC) as compared to the applicable PPI on the record adjustment date (IE), and shall be calculated in accordance with the following formula:

$$\text{Record Adjustment Factor} = \text{IE/IC} - 1.00$$

The parties shall execute a Contract Administration Memorandum setting forth each record adjustment within thirty (30) days after the applicable record adjustment date.

3. PAYMENT

All payments under this Price Agreement are subject to the following provisions.

A. Inspection. Final inspection and acceptance of all items ordered shall be made at the destination. Items rejected at the destination for non-conformance with specifications shall be removed, at the Contractor's risk and expense, promptly after notice of rejection.

B. Acceptance. In accordance with NMSA 1978, Section 13-1-158, the Department shall determine if the items meet specifications, and may accept the items if the items meet specifications. No payment shall be made for any items until the items have been accepted in writing by the using department. Unless otherwise agreed upon between the Department and the Contractor, within thirty (30) days from the receipt of items, the using department shall issue a written certification of complete or partial acceptance or rejection of the items. The time period shall begin at the time of receipt of the final shipment when there are multiple shipments per purchase order. Unless the Department gives notice of rejection within the specified time period, the items will be deemed to have been accepted.

C. Issuance of Orders. Only written, signed and properly executed purchase orders are valid under this Price Agreement.

D. Invoices. The Contractor may submit invoices for payment no more frequently than monthly. The Contractor's invoice shall be submitted in triplicate, duly certified and shall contain the following information: order number, description of supplies or services, quantities, unit prices, extended totals and applicable taxes. Separate invoices shall be rendered for each and every complete shipment. Invoices must be submitted to the Department and not to the County's Central Purchasing Office.

E. Payment of Invoices. Upon written certification from the Department that the items have been received and accepted, payment shall be tendered to the Contractor within thirty (30) days. If the payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. After the thirtieth day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance due on the Price Agreement to the Contractor at the rate of 1.5 % per month. Payment shall be made and mailed to the Contractor's designated mailing address.

F. Tax Note. Applicable gross receipts taxes or local option tax(es) shall be included on each invoice and shown as a separate item to be paid. The payment of taxes for any money received under this Agreement shall be the Contractor's sole responsibility and must be reported under the Contractor's federal and County tax identification number(s). If the Department is exempt from the New Mexico gross receipts tax or local option taxes for the transaction, the Department shall provide the Contractor with written evidence of such exemption(s).

4. TERM

THIS PRICE AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE PARTIES. The term of this Agreement shall be four (4) year(s).

5. DEFAULT

A. The failure of the Contractor to perform shall create a default pursuant to this Price Agreement. The County reserves the right to cancel all or any part of any orders placed under this Price Agreement without cost to the County if the items fail to meet the requirements of this Price Agreement. The Contractor may be excused from performance under this Price Agreement if the Contractor's failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not limited to, acts of God or the public enemy, acts of the County or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the County shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the subcontractor to meet the required delivery schedule.

B. The County may cancel all or any part of any resulting order without cost to the County if the Contractor fails to meet material provisions of the order; the Contractor shall be liable for any excess costs associated with such a default.

6. TERMINATION

A. **For Convenience.** This Price Agreement may be terminated by the County upon written notice to the Contractor thirty (30) days before the proposed date of termination. Notice of Termination of the Price Agreement SHALL NOT AFFECT ANY OUTSTANDING ORDERS.

B. **For Cause.** Either party may terminate this Agreement for cause based upon material breach of this Agreement by the other party, provided that the non-breaching party shall give the breaching party written notice specifying the breach and shall afford the breaching party a reasonable opportunity to correct the breach. If within thirty (30) days after receipt of a written notice the breaching party has not corrected the breach or, in the case of a breach which cannot be corrected in thirty (30) days, begin and proceed in good faith to correct the breach, the non-breaching party may declare the breaching party in default and terminate the Agreement effective immediately. The non-breaching party shall retain any and all other remedies available to it under the law.

7. AMENDMENT

This Price Agreement may be amended by mutual agreement of the County and the Contractor upon written notice by either party to the other. Any such amendment shall be in writing and signed by the parties hereto. An amendment to this Price Agreement SHALL NOT AFFECT ANY OUTSTANDING PURCHASE ORDERS issued by the County prior to the effective date of the amendment mutually agreed upon. Amendments affecting prices are not allowed.

8. STATUS OF CONTRACTOR

The Contractor, and Contractor's agents and employees, are independent Contractors for the Department and are not employees of the County. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of County vehicles, or any other benefits afforded to employees of the County as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are personally reportable by it for income tax purposes as self-employment or business income and are reportable for self-employment tax.

9. ASSIGNMENT

A. Neither this Price Agreement nor any orders placed under this Price Agreement, nor any interest therein, nor claim there under, shall be assigned or transferred by the Contractor, except as set forth in subparagraph 10(B) below or as expressly authorized in writing by the County purchasing manager. No such assignment or transfer shall relieve the Contractor from the obligations and liabilities under this Price Agreement.

B. Contractor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the County as to goods, services, and materials purchased in connection with this bid are hereby assigned to the County.

10. NON-COLLUSION

In signing this Agreement, the Contractor certifies he/she has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with its offer and this Agreement.

11. INSPECTION OF PLANT

The County Purchasing Manager may inspect, at any reasonable time, the part of the Contractor's, or any subcontractor's plant or place of business, which is related to the performance of this Price Agreement.

12. COMMERCIAL WARRANTY

The Contractor agrees that the items furnished under this Price Agreement shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such items, and that the rights and remedies provided herein shall extend to the County and are in addition to and do not limit any rights afforded to the County by any other clause of this order. Contractor agrees not to purport to disclaim warranties of fitness for a particular purpose or merchantability and fitness for a particular purpose.

30. PATENT, COPYRIGHT, AND TRADE SECRET INDEMNIFICATION
